An independent publisher producing an expanding set of timetables, usually for areas where the local authority has ceased publishing, the format is now changing to loose-leaf productions that will be updated monthly in major areas like Greater London, or two-monthly elsewhere. Advance details are listed in the English Counties and Welsh & Scottish Counties/Councils sections and cross-referenced to here. Note that precise titles are subject to change. There will also be more pocket guides to follow, similar to those currently used for Greater London. A rail timetable for Greater London is also published covering LU, DLR, Tramlink, Overground, TfL Rail and Emirates Airline – see the RAIL section. Finally *Here to There* also print this web site, using edition-numbers that follow on from the 32 editions I printed myself until 2002. The latest is the 36th, dated February 01 2017, called 'Doe's Directory 36' and retailing at £15, post-free within the UK. It is now A4 and in full colour and includes the 35th edition of my National Rail Passenger Operators' map. Please note it is only available from *Here To There Publishing* and not from me. For more information, including prices and contact details, see their web site, above.
