Public Transport Pressure Groups & Consumer Bodies

BritORA (British Online Retailing Association)

BritORA was created by Online Retailers for Online Retailers of all shapes and sizes to engage online businesses. The not for profit organisation helps business grow, develops best practices and acts as a support vehicle for each member. The mission of BritORA is to help make its members' businesses stronger through shared common goals. It has grown to span the whole of the UK and includes recommended vendors, group-buying discounts, a database of scams and makes formal contact with some key online service providers. BritORA also lobbies hard in areas such as credit card fraud, better rural broadband and ensuring that seller platforms such as eBay, Amazon and Trip Advisor engage with its members and listens to their concerns.
