**UPDATED 21/05/18**

This section includes British National Rail operators and their Irish counterparts, plus the Metro/Light Rail systems of the British Isles. Note that some detail of printed timetables is added, but it is not the intention to provide full details of publicity as for the bus sections.

My **Great Britain National Rail Passenger Operators' map** (see below) is sponsored by the following: **Rail Delivery Group** ([www.raildeliverygroup.com](http://www.raildeliverygroup.com)); **Great Western Railway** ([www.GWR.com](http://www.GWR.com)); **HaCon** ([www.hacon.de](http://www.hacon.de)) whose train planning software, TPS, plans the railway networks of the UK, France, Denmark and Norway; **ScotRail** ([www.scotrail.co.uk](http://www.scotrail.co.uk)); and **Severn-Dee Travel** ([www.severndeetravel.org.uk](http://www.severndeetravel.org.uk)), specialists in rail ticketing and group travel for schools and colleges, based at Gobowen station. These are also sponsors of the main sections of this web site.

These are no longer private, but are public timetables and are available for downloading from:

[www.networkrail.co.uk/running-the-railway/timetabling/working-timetable](http://www.networkrail.co.uk/running-the-railway/timetabling/working-timetable)

**SEE ALSO 'National Rail Working Timetables' under 'Useful Rail Links', below, for four independent sites showing full working times for any journey. Also see entries under 'Other British Rail Operators' for more Working Timetables.**

#### **NATIONAL RAIL OPERATORS**

All National Rail operators publish timetables matching the dates of the National Rail Timetable, above. These are usually booklets for various parts of their network and some only show the services of that operator. They can be downloaded from the respective operators' web sites, the addresses of which may be found at [www.nationalrail.co.uk](http://www.nationalrail.co.uk) (see the foot of their Home Page). Two inter-city operators each has everything in one book: Virgin Trains West Coast ([www.virgintrains.co.uk](http://www.virgintrains.co.uk)) and Virgin Trains East Coast ([www.virgintraineastcoast.com](http://www.virgintraineastcoast.com)) albeit largely showing only their own services. In the London & SE area two medium-size operators have a single book each: Chiltern Railways ([www.chilternrailways.co.uk](http://www.chilternrailways.co.uk)); and c2c ([www.c2c-online.co.uk](http://www.c2c-online.co.uk)). These are all available from any of the stations that each serves or can be downloaded.

Only one major operator publishes a single comprehensive book covering its whole network and all train services within it regardless of operator: Great Western Railway ([www.GWR.com](http://www.GWR.com)). More detail regarding this is available in the '[Best Timetables of the British Isles](#)' section of this site.
